

Raised Surface Map of the Land of Israel Three Cities Markers and Collage Pieces

Free Standing Markers

Markers Inserted Into Hole in Map

Make markers by shaping sculptey, clay or paper mache; OR cut from wood wood. Attach markers to a nail, heavy pin or wood. Attach the marker to a base, if you wish the markers to be free standing. Paint.

NOTE: Gold paint sometimes ages and turns brown, so yellow can be used for the Cross and Star Comet. The Star Comet tail shoots from heaven so it must point upwards.

Use small box or basket to store the symbols/markers near the Raised Surface Map.

Optional: Flame or Dove

Use either a red flame OR a white dove as the symbol/marker for Nazareth to represent the Holy Spirit.

If you use a Dove, consistently use it for the collage pieces and for the controls the child uses as a guide. (see example below)
